

EAA 534

WE ARE INTERESTED IN YOU!

We offer:

- ✓ Lots of aviation focused activities
- ✓ "Fun of Flying" activities, including the possibilities for participation in actually building an airplane.
- ✓ Members that support you with magnificent levels of expertise whether as an interested party, or someone that is building an aircraft or interested in doing so.
- ✓ Visits to neighboring airports, control towers, and companies that are engaged in the aircraft industry.
- ✓ Some 'Old birds', that actually flew the 'Old Birds' of yesterday.
- ✓ Opportunity to participate in the "Young Eagles" program to introduce young people to the fabulous opportunities that are available in aviation.

THINK ABOUT MEMBERSHIP IN: **EAA Chapter 534. Leesburg International Airport --- 8701 Airport Blvd. Suite 103. Leesburg, FL 34788.**

"The Chapter network allows you to share your interest with thousands of other members in a variety of different events and activities, including fly--ins, picnics, workshops, Young Eagle Rallies, and more. Each Chapter has its own personality that is reflected in its members and local culture. But all Chapters have one thing in common: a passion for aviation!" (<http://www.eaa.org/chapters/join.asp>)
