

July 2010

## June Meeting

**Progressive Aerodyne, Inc. (<http://www.searey.com/>)**

The SeaRey manufacturers Open House was quite a success. Our chapter members were able to take small tours through their facility, viewing their process of making and packing one of their SeaRey Kits. Congrats to Paul Adrien for having the winning number for a free ride in a SeaRey!

Check out their website if you would like to receive their newsletter:

## July 2010

Our July meeting will meet at the EAA/CAP Building Leesburg International Airport. The presentation is the EAA Member DVD and social time!

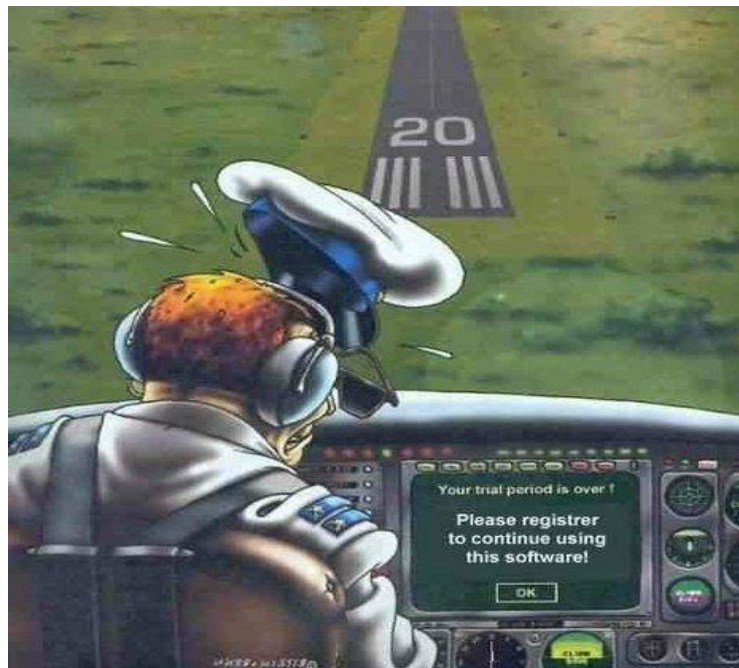

- Good judgment comes from experience and experience comes from bad judgment
- Flying is not dangerous; crashing is dangerous

Why does the Pope kiss the ground each time that he lands ?  
-Did you ever fly with Alitalia ?

"WOW! THE AIRLINES ARE REALLY SCRAMBLING FOR REVENUE THESE DAYS."
