Young Eagles

Joel Hargis, Young Eagles Coordinator

The Young Eagle flights in October were quite challenging as the group we were targeting was not communicating. Ironically it turned out for the best as many of the Young Eagle Pilots were having mechanical issues including myself. We went from 11 Pilots on September to just one being available and able to fly on the 13th. We did successfully fly one Young Eagle and a special thanks to Jim Waymire for do the flying. We are looking forward to a large group of Girl Scouts on November 17th, they are telling us to expect 20 young ladies this day. We will need all Pilots on deck. If you have not been a Young Eagle Pilot and would like to, please contact me, Joel Hargis at jhargis@parksite.com.
