

Executive Committee

July Meeting

Our July meeting was opened by our President Arnold Holmes at the EAA/CAP building and continued at the new EAA Chapter 534 hangar. Bill Starkey has his SeaRey project in the works and was able to show us how far he has progressed.

Old Business

President Holmes discussed the procedure for obtaining new access cards to the secure area and the EAA hangar, an application must be completed and turned into the Assistant City Manager (on site) along with \$10.00. Please see Arnold for a copy of this application and any information on turning it in.

Charlie Schnitzlein, with the help of Ed Odor, Paul Adrien, and Dale Walker have been tasked to create a list of policies and procedures to present to the Executive Committee regarding our use of the chapter's hangar.

New Business

We have a new member; Mr. Steve Tilford who is building an RV-7A. Welcome Steve!
Our first Fly-In Event will be November 3rd. We will be setting up what committees are needed and how many volunteers we need for each. More information to come at the next meeting.

Bill Starkey's SeaRey Project....

Young Eagles

The next Young Eagles Event is scheduled for September 22nd, and a Boy Scouts camp-in with Young Eagles event scheduled for Oct 13th, more information will be coming.

Check for updates on the chapters website at:
