

MAY 2010

The June Meeting will meet at the CAP Bldg. There will be a short business session then we will adjourn to go to The Progressive Aerodyne building in Tavares. Progressive Aerodyne builds the popular SeaRey Aircraft. They are having an open house with free Bar-B-Que. We have a group reservation for the chapter, you do not need to make an individual one.

Progressive Aerodyne, Inc. - 3801 State Road 19 Tavares, Florida 32778

The Meeting is at 9:00 Am 26th of June 2010 Hope to see everyone there.

At the April meeting we visted Earl Johns hangar to see his project. He indicated that he would like to sell his aircraft, the TM-5. If you or anyone you know is interested, you can contact Earl at 352-343-4564. He is offering a finders fee if you can find a buyer.

Al & Laura Setting up the presentation

Flt line observers

Al's LongEze

The Chapter is looking for a 15, 16 or 17 yr old, who is interested in learning to fly. This for our Young Eagles project. The chapter wants to give this youngster a young eagles flight, sign them up for the free sporty's ground school and on successful completion. Pay for 1 hour of dual instruction. If any member knows of a deserving youngster please submit their name to us for consideration.

If you know or come across any interestin websites, Articles or photos you would like to share. Please forward them to jdcornelus@live.com Thanks

**You Might be a Redneck Pilot if:
Your cross country flight plan uses flea markets as check points.**

You think sectional charts should show trailer parks.

Airline Chatter

"TWA 2341, for noise abatement turn right 45 Degrees." "Center, we are at 35,000 feet. How much noise can we make up here?" "Sir, have you ever heard the noise a 747 makes when it hits a 727?"

FUN Places to Fly

Lake Wales, FL

This is a Bed Breakfast that also serves lunch and dinner. It is a historical marker location with a very good grass strip. Oh, did I mention that the food is 5 star they have their own soup cannery. One of the more unique places in Florida.
